ELBA APPAREL, INC. NOW CONSIDERED PERMANENT BUSINESS

"Elba Apparel, Inc., expects to be in Elba on a permanent basis," Paul Scherf, Vice-President, stated today. This manufacturing operation was started last December as a pilot operation in order for management to evaluate the labor market in the Elba area and business conditions in the garment industry.

The results of the Elba plant have been pleasing, according to Scherf, because of the cooperation of employees as well as citizens of the community.

Seventy-three people are now employed at the Elba plant, Scherf stated, and, since December, 1963, have produced nearly 22,000 dozen fine quality dress shirts. Total payroll for this plant since starting amounts to over \$128,000.00.

\$500.00 Ask In Girl Scout Drive Underway In Elba November 9

Five hundred dollars is the goal set for the Girl Scout Drive to begin in Elba on Monday, November 9th. Mr. Owen Ziglar, drive chairman, has announced plans for the drive which will last for five days and urge everyone interested in the character and development of Elba's young girl to respond generously.

The money received during this drive will go for professional training of Scout leaders, camping equipment and scout facilities on the local level. Those funds sent to the national council will cover literature and publications and professional leadership assistance.

2 Injured In Auto Collision Saturday

A one-car collision on the by-pass street between the Stranley and Troy Highway about 10 o'clock Saturday resulted in two being injured to the extent to be hospitalized and two others receiving cuts and bruises.

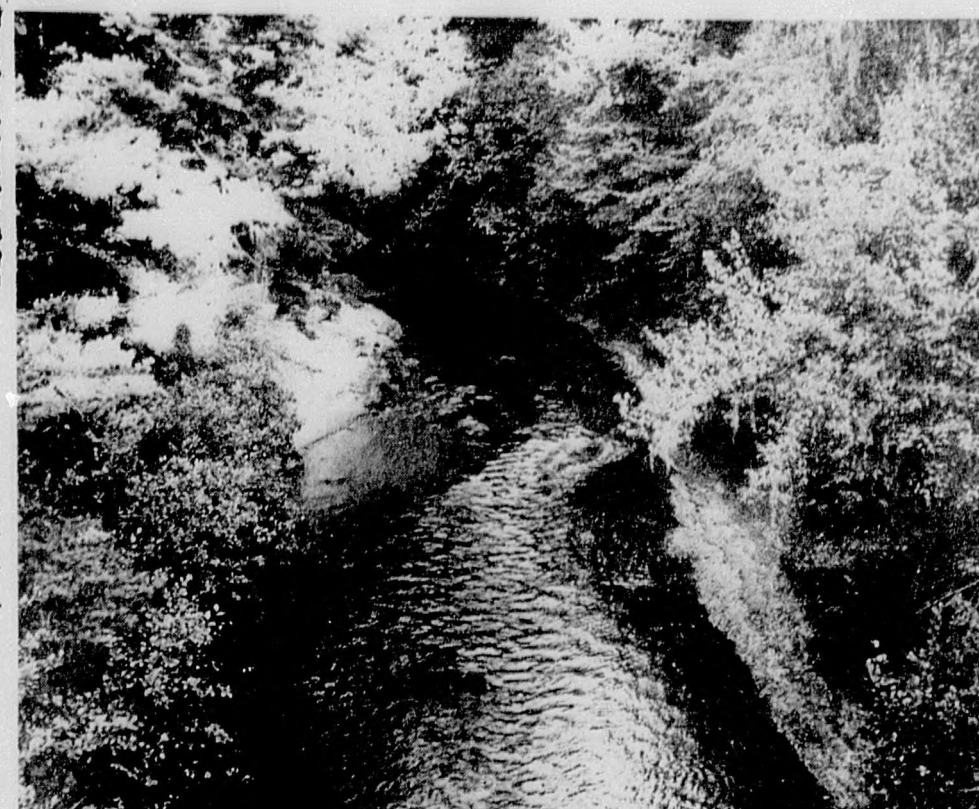

Injured were the owner of the car, Monrie Young, and his wife, Elizabeth, who suffered cuts, lacerations of the face and head and a broken right arm. The driver of the automobile, Ruben Daniel, stated he was traveling approximately 40 miles per hour when the tie rod came loose causing him to lose control of the vehicle. The car hitting it hard enough to knock it over. The extent of the damage has not been released.

All occupants of the car live on Elba Route 5, in the Lee Community.

Fire Destroys Storage House Last Wednesday

Fire destroyed a storage house on Airport Road last Wednesday afternoon. The fire was discovered about 2:30. The Elba Volunteer Fire Department responded to the alarm but when they arrived the house was completely engulfed with flames.

Due to no water system it was impossible to save the house, but the fire department attempted to extinguish the flames with water supply on the fire trucks.

MYSTERY SCENE. A peaceful setting. One of the most beautiful scenes to be found in this area. Be the first to name it and receive a year's subscription free.

The old tree scene last week is located about 4 miles from the City of Elba on the Brundidge highway on the left side of the road going out from the city and this side of Whitewater church.

Buddy Wise, Elba, Route One, was the first to recognize the location of last week's Mystery Scene. That was at 11 o'clock Thursday morning. Within minutes after he recognized the scene Mrs. John Berry Clark came to The Clipper office and recognized the scene. She had been out to the location and had compared the old tree with the picture before making her report. She gave the most detailed account of any made of the old tree scene.

Other interesting scenes will be presented during the rest of the year, some that is most unusual and probably noticed by few people as they pass within a few feet of the spots.

Delegates Attend Federation

The annual meeting of the Alabama Farm Bureau Federation is being held in Mobile this week. Mr. E. C. Brooks, President of the Coffee County Farm Bureau, reports that four Coffee County voting delegates are attending this meeting. The Alabama Council of Home Demonstration Clubs is also meeting with the Farm Bureau Federation. Coffee County delegates to this meeting are Mrs. Julius Allen of the Victoria Community and Mrs. Roy Ellis of the Keyline Community.

Delegates to the annual convention will discuss ways of improving net farm income and also specific ways that the Alabama Farm Bureau Federation can help Alabama farmers in increasing their standard of living.

RED CROSS VOLUNTEERS. Pictured from left Mrs. Evelyn Duncan, head nurse of Elba General Hospital, Mrs. Paul Meyers, chairman of the Volunteers, which comes under the American Red Cross Gray Ladies Service, and Anna Kidd, Evelyn Sawyer, Rosemary Bailey, Judy Bailey, Carol Wallace and Kay Brewer, all of New Brockton.

The girls are Red Cross Volunteers from the East Coffee County Chapter. They deliver mail, work as receptionists, admitting and escorting patients to and from the X-Ray laboratory, write letters to the patients. These girls are something of a pioneer chapter group. They receive their training at the Nursing Home in Enterprise and are all high school students of New Brockton. All are active in school, church and civic affairs. This picture was taken at the Elba General Hospital Monday afternoon. A like program is being planned for Elba.

All these girls work under the American Red Cross Gray Ladies Service and are responsible to the Hospital.

Luncheon Meet At Elba

Honors Visitor Country Club

Mrs. Ralph Mayes (Mary Annie Ham), of Akron, Ohio, is the guest this week of her sisters, Mrs. J. W. English, Mrs. Elwood Taylor, and Mrs. Harris Winston. Many delightful courtesies have been extended Mrs. Mayes, one of the loveliest being a luncheon given by Mrs. Harris Winston in her attractive new home at noon Wednesday. The occasion was planned as a "get-together" for several of the girlhood friends of the honoree, and reminding experiences of the earlier years help to provide amusing and delightful entertainment.

The luncheon table, beautifully appointed with a center decoration of pink miniature chrysanthemums, held covers laid for the following guests to enjoy the delicious three-course lunch: Mrs. J. O. English, Mrs. W. C. Braswell, Mrs. Henry James, of Enterprise; Miss Zedie Rowe, Miss Eunora Farris, of Panama City, Florida; Mrs. J. W. English, Mrs. Elwood Taylor, and Mrs. Winston, the hostess.

Mr. and Mrs. Thomas Prescott and daughter, of Dothan, visited with Mrs. Cecil Prescott, of Dothan, Saturday.

Brantley Road Sewing Club Entertained

The Brantley Road Sewing Club was delightfully entertained Thursday afternoon in the home of Mrs. Flurnoy Whitman.

Mrs. Price Ringo conducted a business session during which plans for Thanksgiving and Christmas baskets were made. During the afternoon the members worked on a quilt that will be a part of one of their baskets to be given to a worthy cause.

The hostess served a salad plate to Mrs. W. R. Crook, Mrs. Price Ringo, Mrs. D. S. Bryan, Mrs. T. T. Rhodes, and Mrs. George Wise.

Mrs. Carlton Larkins Hostess To Curtis HDC

The Curtis Home Demonstration Club met Tuesday, October 27th, in the home of Mrs. Carlton Larkins.

The members enjoyed a talk by Mrs. Sara Hutchinson on "Cooking Utensils". A film was shown in connection with the program.

Mrs. Larkins served delightful refreshments during the social hour to nine members and one visitor.

Personals

Mrs. Billy Meek went to Birmingham Monday of last week for examination by a medical specialist.

Upon advice of her Dr. she returned to Elba on Wednesday to enter Enterprise Hospital for surgery. Mr.

Meek and Mrs. Meek's mother, Mrs. Myrtle Sellers, drove to Birmingham to accompany Mrs. Meek home. As this is written, Mrs. Sellers reports that her daughter will undergo surgery for removal of her gall bladder Monday, November 2. The many friends of Mrs. Meek are deeply concerned and are trusting for a rapid and complete recovery for her.

DO YOU NEED DIRECTIONS

Public libraries today are filled with "how to do it" books. From them we may learn to do almost anything from baking a cake to building a house, from managing a home to conducting a business. But by far the most important are the books which show us how to build our lives.

The greatest among these is the Bible, a book which has withstood the test of centuries. Within it are God's directions for abundant living. But it is not easy to put these directions into practice. We need help.

We turn to the Church. In the Church we find inspiration through the companionship of others who with us strive for a better life. There, in prayer and worship, we know the blessings of God, the Father. We learn to follow the example of the Christ, and feel the power of His Spirit who alone enables us to live the abundant life.

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read your Bible daily.

14 Year Old Anelia Sasser Shows Superior Talent In Recent Piano Recital

Miss Anelia Sasser showed superior talent in one of the finest of the fine arts Sunday afternoon when she was presented in a piano recital by her teacher, Mrs. Ann Jensen, of Chipley, Florida. Miss Sasser is a daughter of Mrs. Edd Donaldson, of Andalusia; Mr. and Mrs. B. Davis and Mrs. Julia Beck, of Brantley; Mr. and Mrs. Allen Weeks, of Dozier; Mr. and Mrs. I. D. Ryals, of Samson, and Mrs. Coggin, of Chipley.

Miss Sasser delighted her audience with her skill and talent, but perhaps even more delightful was her manner of appearance. Although only 14 years old and a 9th grade student, she played difficult selections from some of the well known composers such as Beethoven, and Chopin; and, at the same time, showed no evidence of being conscious of her superior accomplishment. Her manner was one of perfect naturalness and meekness. To see so much in one so young is an inspiration to both youth and age.

Among those outside of Elba who were present at the recital were: Mr. and Mrs. Edd Donaldson, of Andalusia; Mr. and Mrs. B. Davis and Mrs. Julia Beck, of Brantley; Mr. and Mrs. Allen Weeks, of Dozier; Mr. and Mrs. I. D. Ryals, of Samson, and Mrs. Coggin, of Chipley.

The recital was given in the Elba High School auditorium and was well attended.

WHAT IS A PRESCRIPTION? Medically, it is the written directions of a physician to a patient to take certain medicine in a specific way.

WHY DO WE NEED PHARMACISTS? Because your health and even your life depends on skilled accuracy. A pharmacist does more than 10,000 hours to college to get professional training. After serving an internship, a state examination must be passed to be licensed to practice pharmacy.

WHAT IS EACH PRESCRIPTION? First, — It contains the knowledge of many years of study and internship by your physician. To get this benefit you paid him his professional fee. Second, — You get the prescribed medicine. And, third, — You also get the professional ability of the compounding pharmacist. But, a separate fee is not charged for this. It is included in the cost of a prescription.

HOW MUCH DO PRESCRIPTIONS COST? The average price is about \$3.07. Most of them are less and for the few which cost \$5 or more, the ingredient cost alone is about 60% of the total charge.

WHAT ABOUT PRESCRIPTION DISCOUNTS? Our prescription prices are no greater than what we need to operate a good pharmacy. No one can charge less without also discounting service. Most discounters give you a bargain on your first prescriptions as "bait" and then make it up later.

Corley, Anita Davis, Betty Sasser, Christine Kelley, Inez Andrews, Charlie Parrish, C. D. Holloway, Leavy Boutwell, Ann Bowers, Maxine Crissett, Virginia Deane, Claudia Matthews, Hughie Cleophus Lee (expired), Ida Mae Hooks.

CLEOPHUS LEE RECEIVES FATAL BURNS SUNDAY

Cleophus Lee, 35, died Sunday afternoon at the Elba General Hospital from burns received at his home in the Harrison School community Sunday morning about 10:30 o'clock.

It is reported that Lee returned to his home after spending the night with relatives and received the burns from an explosion which happened soon after his arrival.

The explosion threw him through a plate glass window. He ran across the road with his clothing on fire and when help arrived was rolling in the sand in a ditch.

The house was gutted by the explosion and fire. Lee is survived by his wife and two children, who were not at home when the explosion occurred.

Former resident dies in Phenix City Thursday

Following five weeks of illness, Sallars Bryan, age 64, died in the Cobb Memorial Hospital in Phenix City, October 26th. He was born and reared in the Pine Level Community, but for the past several years had made his home in Phenix City.

Funeral services were held in the Chapel of Colonial Funeral Home, Phenix City, Wednesday afternoon, October 28, at 4 o'clock with burial in the Gerard Cemetery.

Survivors include his wife and one son, Guy Bryan, Andalusia, and an adopted daughter, June Fowler, Phenix City; five sisters, Mrs. Gordy Clark, Mrs. Jim Morrow, Mrs. John D. Smith, Elba, Mrs. Walter Raburn, Brantley, and Mrs. Otis Johnson, Phenix City; two brothers, G. D. and Dan Bryan, Elba; also four grandchildren and several nieces and nephews.

From X to \$ When John Smith, who couldn't write his name, opened a checking account at the bank, it was agreed that he sign his checks "XXX".

Some years later he hit the jackpot in oil wells. Subsequently a check came through signed "XXX".

When questioned by the bank, Smith admitted it was his check: "Since the wife joined the country club she has gone high-end, and insists that I use a middle initial."

Farm NEWS

BY TOM CASADAY, CO. AGENT

Dupree Martin of the Coffee County Line Community reports rather severe fire damage on his farm. Other Coffee County farmers and land-owners are also affected.

In the next few weeks, we hope that farmers will be able to buy fire insurance at greatly reduced rates in order to treat more effectively.

Phate Smith who lives just south of the Enterprise Airport has a group of come out and cut them. Virginia Pines which he plans to sell for Christmas.

The tenth annual observance of Farm-City Week will be observed all over the United States November 20-26. This observance is simply aimed at promoting better understanding between farm and city residents.

I like to think that already we have a good understanding in Coffee County between farm and city residents, but I know this observance can help bring our people even closer. This is an excellent thing to observe.

Miss Alice Moore of the Damascus Community reports that Melvin Allen, who helped her this year, made 11 bales of cotton on 7 acres. This is almost 800 pounds of lint per acre—a real fine yield.

Asked what she did before planting, Miss Moore said, "We soil tested and the report indicated that we needed to apply lime. We applied the lime several weeks before planting. We also fertilized as recommended by the soil test report. We dusted for boll weevils five times."

Miss Moore used Dolomite Limestone. We recommend this type of limestone in order to provide plenty of magnesium.

Rufus W. Wilson and his wife of the Jack Community represented Coffee County at the Young Farm Family dinner meeting in Montgomery last week. The Wilsons were recommended by the officers and directors of the Coffee County Farm Bureau. They have three children—Sandra, 17; Ray, 12; and Teresa, 7; Ray, report a most enjoyable occasion.

Four Coffee County Farm Bureau voting delegates and President E. C. Brooks are attending the annual meeting of the Alabama Farm Bureau Federation in Mobile Wednesday.

Also attending are insurance agents J. E. Donaldson and Charles Goodson.

Folks who study farm management tell us that the four big factors in making money on the farm, are determined by the four following factors:

1. Volume of Business
2. Rates of Production
3. Labor Efficiency
4. Combination of Enterprises

We hope to have a farm management school for Coffee County right after Christmas.

Mr. Traweck Receives Tree Farm Award

A Tree Farm sign and certificate of membership in the American Tree Farm System in recognition of good forest management was presented today to C.E. Traweck, teacher of Enterprise, Alabama.

Mr. Traweck won the award by managing his 155 acres of woodland near Enterprise for the continuous production of wood while protecting his trees from fire, insects and diseases, and destructive grazing in accordance with Tree Farm standards.

In making the award, Tree Farm Inspector G. M. Drewery, congratulated Mr. Traweck for setting a high example in the proper use of woodlands.

"Trees are a crop that can be grown again and again on the same land," said Mr. Drewery. "That is exactly what Mr. Traweck is doing, and that is what more and more landowners must do if we are to meet our country's growing demand for forest products."

The nationwide American Tree Farm System, sponsored by American Forest Products Industries, Inc., now has 27,558 Tree Farms with 64,489,971 acres of woods being managed.

If you think that nematodes are causing you trouble, now is the time to make sure. We will be glad to assist you in sampling your fields, or gardens. This should be done before extreme cold weather gets here.

According to some sampling that we did about two years ago, approximately 60% of the peanut fields are infected with root knot nematodes. Under certain conditions, nematodes can cut yields severely.

Lawn grasses and ornamental plants require lime as do field crops. A soil test of the lawn or garden area will tell you if lime is needed and the amount. A soil test this fall and following the fertilizer and lime recommendations will aid in producing a more successful garden and more beautiful lawn next spring.

People everywhere are talking about coastal bermuda for grazing and hay. If you are tired of low yields and empty hay barns, why don't you switch to coastal bermuda? Now is the time to plan and get ready for planting.

You can start planting in December if weather permits.

Mail Your Overseas Christmas Gifts Now

The period October 21 to November 10 has been designated for the mailing of Christmas parcels by surface transportation to members of our Armed Forces overseas. For Air Mail the period is December 1 to December 10. Greeting cards for Armed Forces overseas should be mailed within the period designated for parcels. If they are to have reasonable expectation of delivery prior to Christmas, Articles should be packed in boxes of wood, metal, or solid fiber board or strong double-faced corrugated fiberboard. All fiberboard boxes should be wrapped in heavy paper and tied with strong cord as this will make them substantially stronger. Un-

Shots Effective In Preventing Flu

"Vaccination is the only effective method of preventing flu," Dr. C. D. McLeod of the Pike County Department of Health said today. The U. S. Surgeon General's advisory committee of experts on immunization recently announced that flu vaccine has provided substantial protection (60% to 80%) against this epidemic disease in repeated scientific trials. This year an even stronger vaccine containing added protection is available.

Flu vaccination is recommended particularly for those over 45, expectant mothers and persons of any age who have chronic diseases. These include heart disease, kidney disease, diabetes, TB, and other chronic lung and bronchial disorders. Children of school age and those in contact with flu more than any other group. Frequently they come in contact with the virus at school and bring it home, where it spreads throughout the family.

Flu shots should be obtained early in the fall, and should be completed at the latest by mid-December. Although the Surgeon General's advisory committee does not expect a major nationwide outbreak of flu this year, it would be wise to see your doctor as soon as possible and take his advice as to which members of your family should be vaccinated against local outbreaks. Flu can be prevented, and so can the misery and possible tragic complications that go with it.

Flu vaccine may be obtained only through your family doctor and is not available at the county health department.

Third Visit Of Bloodmobile In Elba Thursday

Today, Thursday, November 12, is the day the Bloodmobile will visit Elba for the third time. Every one who can be urged to go to the Elba First Baptist Church between the hours of 10 A.M. till 4 P.M. and give a pint of blood to the blood program.

The blood donor does not help the blood program as much as he helps people, possibly his friends or his family. Heroic acts some times come in small "packs." The red color is the shade of human blood and a plastic container of blood can mean the difference between life and death for many people in the Elba area all during the year. The quota is 125 pints. You, along with other regular donors, help keep the blood center supplied with the life-giving fluid to help their fellow man. Donors do not get a cent in payment for their blood and they give it of their own free will. But without these donors people in the East Coffee area might die each year. Bill Pierce is chairman of the East Coffee Blood Program.

HARVEY STARLING, outstanding evangelist of Monroe, Louisiana, will preach the gospel in a meeting at the Elba Church of Christ beginning Sunday, November 15 through Thursday night, 22nd. Services will begin each night at 7:30 o'clock.

First Baptist To Observe Judson College Day

The Elba First Baptist Church will observe Judson College Day this Sunday, November 15. Four special guests from Judson will be present for the occasion. These are: Dr. and Mrs. Eugene Stockstill, Miss Susan Waditz, and Miss Pat Pike. Dr. Stockstill is representative during the morning and evening worship services. And special programs will be presented by the Judson representatives during the Intermediate and Young People's Sunday School assembly period and during the Training Union hour.

HONORS TEACHERS ON "EDUCATION WEEK" - Members of the Ladies Auxiliary, American Legion, Post No. 42, honored teachers of the Elba High School and Elementary School Tuesday morning. The Auxiliary served the teachers coffee and pinned corsages to their shoulder. Auxiliary members participating are the above. They are from left: Mrs. Ted Prescott, Mrs. W. R. Crook, Mrs. Marjorie Morrow, Mrs. Conway Lowmy, Mrs. Wayland Bryan, Mrs. Mildred Morrow, Mrs. Wayne Boswell and Mrs. Everett Kelley.

"Education Pays Dividends" is the theme for American Education Week and is being observed in the Elba Schools. (See story and picture inside.)

MYSTERY SCENE - A beautiful quiet old road leading to a very popular place. Many people of Elba and from many other places have traveled this peaceful old road. Be the first to tell us where it is located. EDITORS NOTE: Last week's scene was Buck's creek on what is known as the River Road south of Elba. Mrs. L. P. Morrow, Jr. (Doris Tillman) was the first to correctly recognize the place. Many had reported to the Clipper office where they thought it was but the place was not correctly identified until 12:35 Thursday.

Elba Defeats Andy 20-7

Playing their finest game of the season, Elba defeated a fine Andalusia team here Friday night. The Tigers took the lead early in the game after a sustained drive when Smith scored from four yards out. A key play in the drive came on a pass from Rickey to Doug Easters. The attempted conversion attempt was blocked.

Andalusia brought the ensuing kickoff back to the Elba 15 yard line and after several line plunges, knotted the score at 6-6. The P.A.T. was successful and Andy led at halftime 7-6. Near the end of the 3rd quarter, George Sanders, after a 47 yard gallop, was hauled down on the Andy 20. Elba took it on in with Smith carrying the ball over from the two yard line. In the 4th quarter, Merrill Shirley broke open by a key block by Joel Inman and added an insurance touchdown on a 60 yard punt return.

Scoring for Elba: Smith 12, Shirley 6, Inman 2 Kicks, Molton 7.

STATISTICS	Elba	Andy

HOMECOMING AT ZION CHAPEL HIGH SCHOOL - The Homecoming Queen was Miss Reda Kelly, escorted by Jerry Sheffield. She was crowned by Judy Von Jackson, 1963 Homecoming Queen, preceding the football game with Coffee Springs. Reda is the daughter of Mrs. Madge Kelly Johnson and stepdaughter of Orel Johnson, of Route One, Elba. Jerry is the son of Mr. and Mrs. J. T. Sheffield of Brundidge. Flowers were presented to the queen and attendants by Mr. Ned Young, principal of Zion Chapel School.

AMERICAN EDUCATION WEEK

"Education Pays Dividends" Theme Of American Education Week Observed By Elba City School

"Education Pays Dividends" is the theme for American Education Week, November 8-14, which is being observed in the Elba City School this week. The channels through which "Education Pays Dividends" are illustrated in the photo above on the giant bulletin board prepared by Mrs. Sam Collier. The bulletin board is on display in the front hall of the high school.

Mr. Henry Averill, a retired veteran of three wars who resides in Enterprise, was guest speaker at a Veteran's Day Program for the high school assembly on Wednesday. Minister Raymond Elliot accompanied the group singing. The well chosen words of the speakers coupled with the moving strains of the National Anthem and "America" were fitting tributes as the high school paused to review America's great heritage and to pay respect to the nation's honored dead.

A section of the sixth grade, under the direction of Mrs. Flossie Harper, presented "Vacation On The Moon" for the elementary school assembly on Thursday morning in recognition of AEW. Students participating in this performance were Paul Mack, Lucia Stephens, David Johnson, Wayne Windham, and Jackie Smart. Others performing included Dixie King, Harriet Bullard, Terry Martin, Vicky Vaughan, Melba Wilson, Johnnie Driggers, and Patti Brown. Attractive bulletin boards and displays of student work in the classrooms added much to the emphasis being placed on education in the schools this week. Parents and other interested citizens visited the school at various times during the week.

DEADLINE NEWS FOR 65 AUTO TAGS

Saturday, November 14, is the deadline for buying your automobile tag, without paying a penalty. Many drivers still have not purchased their tags and should do so at once. Remember, Saturday is the last day.

HERMAN DRIGGERS AWARD - In recognition of outstanding heroism, valor and meritorious service above and beyond the call of duty, the National Police Officers Association of America, presented Mrs. Herman Driggers, the widow an award in his honor. On the night of September 2nd, this officer along with the deputy county sheriff attempted to serve a warrant. As they approached the door the suspect fired several shots, one humously awarded and his name placed in the National Police Hall of Fame, North Port Charlotte, Florida. This certificate was presented as a tribute to the loyalty and devotion of this officer, to the preservation of Law & Order in our community. Pictured from left is City Chief of Police, Jack Smart, Mrs. Herman Driggers and Mayor L. P. Mullins.

MacArthur's New Managers Of Country Club

Mr. and Mrs. Charles MacArthur, of Mobile, are now managers of the Elba Country Club dining room. For the past several weeks, Mrs. Mary Tom Lee supervised the kitchen and dining facilities for the Clubhouse Committee. Mr. and Mrs. MacArthur came to the club highly recommended for the managerial position. They have successfully operated a cafe and restaurant for some of the larger motels and are familiar with serving small and large crowds.
